

Terrington Parish Council with Wiganthorpe and Ganthorpe
Minutes of an Extraordinary Council meeting held on Monday 7
February 2022 at 7:30pm in Terrington Village Hall

1. Attendance and Apologies

Present - Cllr Winning (Chairman), Cllr Lewis, Cllr Stockdale, Cllr Adkins

Apologies – Cllr Taylor and Cllr Watson (accepted by the Council)

Clerk - Kerr Wilson

Nine members of the public were present.

2. Declarations of interest

None

3. Queen Elizabeth II Jubilee Celebrations – Village Beacon.

The Queens Jubilee will be celebrated across the country during the extended bank holiday from 2 to 5 June 2022. The Chairman said that it provides a great opportunity to celebrate with friends, family and the local community. There has been a long tradition of lighting beacons to celebrate Royal occasions and the Chairman suggested installing and lighting a Beacon.

A number of suggestions were made regarding the construction of a brazier beacon and where it might be sited with due regard safety, visibility, access, facilities etc. Other suggestions included a street party, sports afternoon, and village hall party. The event could be centred at the Village Field and Hall and the wide cross-section of village organisations could be encouraged to contribute to the occasion.

Action - Cllr Stockdale agreed to take the lead and coordinate the event. Anyone who would be prepared to help, or knows of such people, please contact Cllr Stockdale.

4. Consideration of the preparation and submission of a Definitive Map Modification Order application in respect of an unadopted section of South Back Lane (East).

4. 1 The Chairman explained that this matter had come to the Council's attention following concerns raised by a number of residents. Signs were posted at the gates leading to the Definitive footpath crossing the Pheasantry garden, stating that there was no right of way through the gate from South Back Lane to the Definitive footpath. Residents said that this was a well-established public right of way that they had enjoyed for decades. Enquiries with NYCC established

that South Back Lane is an 'unrecorded public right of way'. In order to formalise the route, it would be necessary to make a Definitive Map Modification Order application.

Further, the Chairman said that because of recent legislation, this action was imperative because there is a 'cut-off' date of 1 January 2026, clarified by Cllr Adkins, after which applications cannot be made for the recording of historic rights of way.

Motion

4.2 Cllr Winning moved the motion that the Council prepare and submit a Definitive Map Modification Order application in respect of an unadopted section of South Back Lane (East) up to the side entrance gateway into the Pheasantry to link the adopted highway with the Definitive Footpath.

The Council resolved to prepare and submit a Definitive Map Modification Order application as set out above in 4.2.

Proposed Cll Stockdale. Seconded Cllr Adkins

The meeting closed at 20.18 hrs

Signed Cllr Bill Winning (Chairman)
